Final Exam

Consider the participants in this photo and describe three factors that would affect their memory of the event depicted. How would a participant’s memories vary as a function of
(1) their language?
(2) other aspects of their culture?
(3) a third factor (variable or universal)?

Any direct quotes or direct use of others’ ideas must be clearly attributed with an appropriate citation (in any conventional format).

Your essay should be double-spaced, 1-inch margins, 12 point font, no more than three (3) pages. It is due in the Anthropology Department Office, Haines 341, before 4:00 on Monday, March 22. No late exams will be accepted.

Have fun and good luck.
