Final exam for Anthropology 135b, Psychological Anthropology.

Pick one of the two photos below. Without knowing the cultures, explain what is depicted: Give three distinct types of explanations, using major concepts and theories presented in class readings, lectures, or discussions. Hint: the explanations should be three different plausible, conceptually well supported answers to the question, “Why are they doing this?” We will give extra credit for effective integration of the three explanations.

Any direct quotes or direct use of others’ ideas must be clearly attributed with an appropriate citation.

Your essay should be double-spaced, 1-inch margins, 12 point font, no more than four (4) pages.

The essay is due by 4:00 pm Monday, March 20, in the Anthropology Department main office, 341 Haines. No late exams will be accepted.
